

## ATTENTION RENTAL PROPERTY

We have funds available to cover up to **75% of your repair costs** on your rental housing units. These funds are available to for-profit owners and non-profit organizations at low 1% or 3% simple interest loans.

## WHAT KIND OF PROPERTIES ARE ELIGIBLE?

Properties eligible for this program must be mainly residential single-family or multiple units. The property must be primarily occupied by lower income tenants. Vacant properties are also eligible.

## ELIGIBLE PROPERTY LOCATION

The City selected target area is generally North of Highway 4, West of Cavallo Road, East of L Street and south of Fifth Street. See Target Area Map for details.

## PURPOSE AND USE OF FUNDS

Loan funds may be used for work that includes plumbing, heating, roofing, flooring, and painting. In fact loan funds can be used for almost anything needed to produce good quality housing.

## MATCHING FUNDS

The Rental Rehabilitation Loan program requires a minimum of 25% up to 50% "Matching Funds" from the property owner. We may loan 50% up to 75% of the total cost of a project.

### Example:

If the total project cost is \$20,000.00, we may loan \$10,000 up to \$15,000. You will need to provide proof of your "matching funds" in the amount of \$5,000 up to \$10,000. In the case of non-profits, we will loan up to 75% of the total project cost.

## PROCESSING TIME

With the cooperation of the property owners, loans may usually take 6 to 8 weeks to process. However, each project varies in complexity and some may take more or less time to process.

## FEES AND COSTS

Applicant is responsible for cost required to cover for Title Search, Appraisal, Credit Check, and Lead Inspection and Report. This fee varies relative to the number of units and age of property. This is due upon submittal of application or can be included with the loan. A non-refundable \$50 per unit application fee is required at submission of application.

Other related fees such as lead-based paint supervision and clearance testing may be financed out of loan proceeds.
